By that notion, a chemical heart searching for new love would be doomed from the start. A chemical pregnancy is one that ends before it even starts, with a fertilized embryo failing to take root in the uterus. I don't fit in. I'm a weirdo. And I don't want to fit in. " We're all so used to seeing her with Cole Sprouse's Jughead, but for the similarities that Jughead and Henry (Austin Abrams) from Chemical Hearts share, Reinhart's character Grace couldn't be further from Betty Cooper.Prior to the start of the movie, Grace's boyfriend died in a car crash that also severely injured her. Ashe, and The Greeting Committee all debuted new songs on the soundtrack to help tell Peter and Lara Jean's love story. But, hey, at least the songs that score this doomed relationship sound pretty.
